

Direct Version 8 – 3 April 2019

Thank you for choosing Apollo for your next holiday, we look forward to providing you with a fun, simple, safe & adventurous holiday experience you will remember.

Here are the details you need to know when planning for the year ahead.

Valid 1 April 2019 – 31 March 2020

- For available products and vehicle specifications please visit our website at www.apollocamper.com
- Rental days are calculated per calendar day. The day of pick-up is calculated as the first day of booking and the day of return is calculated as the last day of booking.
- Rates are in Australian dollars and include 10% Goods and Services Tax.
- Not all rates and terms apply to group bookings. Group bookings consist of 4 or more RVs travelling together and should be directed to info@apollocamper.com
- For ease at pick-up please specify the correct number of guests (and ages of children if applicable) and contact details on your booking.

Multiple Rentals

We love to reward our long-term road trippers so consecutive rentals, within a 3-month period, in Europe, United Kingdom, United States of America, Australia and New Zealand on Star RV, Apollo, Cheapa Campa and Hippie can be combined to obtain a long-term discount rate. If drop-off of an RV and pick-up of a new RV occurs on the same day then a day will be charged for each RV. Multiple rentals are considered separate rentals under the one-way fee and minimum rental period conditions apply.

Driver Licence and Minimum Age

For the safety of our guests a current and full motor vehicle driver licence is required to be shown at pick-up and the driver needs to be present. If the driver licence is not in English then we require an accredited English translation or an International Driver Permit. For travel in the Northern Territory an International Driving Permit is required along with the foreign driver licence. The StarRV, Apollo and Cheapa Campa drivers must be over the age of 21, have been held for at least two years and the licence must be valid for the entire booking duration. Hippie drivers may be 18 years of age or over with a full driver licence or hold an Australian Green P licence.

Discounts

Guests who love road trips as much as we do and travel for more than 21 days receive 5% off daily rates. This is also available to guests with multiple bookings that total 21 days or more.

Booking Alterations

At Apollo we understand that sometimes things change. If this is the case, any changes made to a booking will be calculated by using the higher one of two rates, either the original Flex Rate or the Flex Rate current at the time of booking alteration.

The following are considered as a booking alteration:

- Change of name
- Change to pick-up or drop-off dates
- Change pick-up or drop-off branch location
- Change of RV category
- Change of rate scheme including special rates

If the rate scheme or RV category is changed, this is considered a new booking and cancellation fees may apply to the original booking.

If there are any last-minute alternations made within 14 days of pick-up we will be happy to accommodate these, however due to the short notice if the holiday is shortened the number of days originally booked will be charged.

If the pick-up or drop-off location is altered within 14 days of pick up, a relocation fee may also apply.

Change to the Drop-Off Location after Pick-Up

If you wish to change your drop-off destination after pick-up, please get in touch with our friendly Reservations team who will be happy to help. Our team will advise if the change is possible and a minimum fee of \$750 may apply.

Extending a Road Trip

If you get swept up in the adventure of a road trip and want to extend your booking whilst on the road, please first contact our friendly Reservations team who will be happy to advise if the extension is possible, and the costs associated. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at an Apollo Branch at the time of extension. Of course, any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions however it is subject to availability of our fleet.

Change of RV

We understand guests' needs are different and therefore our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however should the RV booked be unavailable due to unforeseen circumstances, we will substitute the booked RV with an alternative available RV at time of pick-up, at no extra cost. Any changes made to the booked RV and agreed to by you do not entitle you to a refund.

In the event of no alternative RV being available to you, Apollo's liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by you) the remainder of the hire period.

Pre-register Online

Guests have the ability to register online in advance on apollocamper.com/registernow. By completing the required pick up information ahead of the pick-up date you will experience a smoother and quicker RV collection process.

Getting to and from the Airport

Branches are conveniently located near major airports, making pick-up and drop-off even easier for you. You can arrange transport to and from the airport via taxi or uber.

Branch Locations

Apollo branches are located across Australia, allowing you to plan for road trips both long and short. Our Broome branch is a little more remote than others and therefore a single \$750 location fee applies to guests who pick-up or drop-off at our Broome branch.

Certain RVs are more popular in certain locations; the matrix below is a guide to available vehicles at each of our branches.

Branch Hours and Public Holidays

The opening hours of our branches vary, depending on location and seasonality. The below table details the specific hours for pick-up and drop-off:

Location	Dates/Hours for Pick-up and Drop-off	
Adelaide Alice Springs Brisbane Cairns Hobart Melbourne Perth Sydney	1 April - 31 March 8am to 4:00pm 7 days a week	
Broome	1 April - 19 December 8am to 4:00pm Closed Sunday	20 December - 31 March Closed
Darwin	1 April - 19 December 8am to 4:00pm 7 days a week	

Our Broome and Darwin branches are closed during the wet season (20 December to 31 March). During this time roads are muddy and hard to navigate, for safety reasons we strongly recommend that guests avoid travelling to the top end of Australia during this time.

Our staff enjoy a holiday as much as you do and all of our branches are closed on public holidays for Christmas Day, New Year’s Day, Good Friday and Observed Australia Day.

RV Introduction and Show Through

On pick-up, our staff provides you with a thorough RV show through with all the necessary information you need to know about the interior and exterior features of your RV. This ensures you are comfortable and confident with your RV before you start your road trip.

To ensure you have a thorough RV show through before starting your road trip, you will need to pick up the RV from the branch by 4pm.

Booking Duration

A road trip allows you to travel at your own pace. To ensure you get the most out of your holiday a minimum five-day booking applies, when pick-up and drop-off is from the same branch location. Minimum booking periods may also apply during peak periods such as Christmas, Easter, Bathurst motor racing, etc.

One-way Booking Duration

Road-trips don’t always finish where they started, some of the best adventures don’t. If you drop-off at a different branch location from which you picked-up, a minimum booking period and \$165 one-way fee applies. The minimum booking periods for one-way bookings are detailed below.

Travel Restrictions

Not all RVs are suitable for all driving situations, so it’s important the right RV is chosen for the planned travel. Apollo, at its discretion may restrict RV travel in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period. For the safety of guests, the following travel restrictions are in place:

Travel to Rottneest Island, Fraser Island, and Moreton Island is not permitted at any time

Star RV and Hippie RVs must not be driven to Tasmania

Hippie RVs can be driven to the Northern Territory at an additional cost of \$20 per day as long as written permission is obtained prior to travel.

Apollo Vivid Campers must not be driven to the Northern Territory or Western Australia

2WD RVs

Our 2WD RVs aren’t equipped for the rougher terrain and cannot be driven on unsealed roads. Well maintained access roads which lead to recognised campgrounds and are less than 12 kilometres long are allowed.

Apollo and Cheapa Campa 2WD RVs can be driven to any island on sealed roads as long as written permission is obtained prior to travel. The Vivid Camper is not allowed to travel in the Northern Territory or Western Australia.

4WD RVs

Our 4WD RVs are ready to take adventurous travelers off the beaten track, however for the safety of our guests there are areas from which our vehicles are restricted and/or require written permission from Apollo prior to travel. These include;

State/ Territory	Restricted (Written Permission Required)	Not Permitted at all times	Not Permitted between the period of December to May

If applicable, any further restrictions will be mentioned at pick-up. Guests are encouraged to contact Apollo Assist on 1300 798 212 for any concerns regarding road accessibility.

Kilometres

For the safety of guests please don’t underestimate the time it will take to get from one point to another. While our 2WD RVs include unlimited kilometres we recommend travelling a maximum of 300 kilometres per day or the equivalent of 4-5 hours driving.

Our 4WD rates include 300 kilometres per day however, should a little more adventure be needed, 500 kilometre packages are available before or at time of pick-up for \$188. If the road travelled is a little longer, any excess kilometres will be charged at \$0.40 per kilometre.

Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RVs need to be returned to the branch as they were taken, with the interior cleaned and holding tanks emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition.

Repairs

We understand that while on holiday the RV may require small repairs. So not to disrupt the road trip any further, if the damage was not caused by you, repairs up to \$100 can be completed without authorisation and will be reimbursed. If repairs over \$100 are needed, the Apollo Assist team should be informed prior to repair being completed.

All RVs are enrolled in the Australian Automobile Association and 24hr mechanical emergency roadside assistance is available if needed, simply contact Apollo Assist at 1300 798 212.

Infringements, Tolls and Fines

Apollo will pass on any charges you receive for traffic infringements, toll way or parking fines during your road trip. No one likes unexpected surprises or additional administration fees, so we'll only pass on the exact amount of the fine or charge received.

Animals

We believe fur friends can only make a road trip better and both service animals and pet dogs are allowed to travel in our RVs) with written permission from Apollo at time of booking. There is a \$200 pet service fee, this excludes service animals. Pets are not allowed in StarRV vehicles. Our full policy can be viewed on the Apollo website.

Smoking

Our RVs are a smoke free zone, smoking is not allowed in any of our RVs.

Payment at Branches

Apollo accepts Credit card and Debit card for charges paid on RV pick-up and drop-off. For security reasons we do not accept cash at Apollo branches. The Bond is payable at pick-up by Credit card or Debit card and cannot be paid with a pre-paid Credit card.

Credit Cards

We accept Visa, MasterCard, American Express, Diners Club and Union Pay. The following fees apply for the rental and any additional products (irrespective of chosen account e.g. savings, credit, etc.):

	Rental/Extras
Visa Debit card /MasterCard Debit card	1.0%
Visa Credit card/MasterCard Credit Card	2.0%
Amex/Diners/Union Pay	2.8%

Fees are subject to change without notice

Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private Travel Insurance.

Protection Package

Personal Injury

The RV has third party insurance cover and it is likely that any other vehicle involved in an accident also has third-party insurance. Depending on the circumstances of an accident, you may be entitled to claim for your personal injury against the third-party insurance of the party responsible for the accident. The extent of such third-party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

Property Damage

The RV is insured for damage to it and damage to the property of a third party. However, you are responsible up to the amount of the applicable liability for damage to third party property, or to the RV. You are also responsible for the cost of the daily rate for the period the vehicle is being repaired. There is no refund for unused portion of the rental period. The Liability applies to each claim, not RV.

The liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo by telephone on a credit card, not on return of the RV. Apollo reserves the right to charge you for any RV damage including Third Party property damage not reported but identified on return of the RV.

Liability Options

We understand that everyone has different needs and therefore offer a range of Liability Options to provide peace of mind. The amount payable for each Liability Option is based on the minimum rental period applicable for each RV or total days of RV booking. The maximum charge for Liability Options is 50 days per rental segment.

Bond

To keep this simple - the bond payment will depend on the Liability Option chosen. If you choose to take 'The Low Road' or 'The Middle Road' the total bond will be debited to the Credit or Debit card immediately. When a Visa or MasterCard Debit card is used a 1% fee will apply, when a Visa or MasterCard Credit card is used a 2% fee will apply or when Amex, Diners or Union Pay is used a 2.8% fee will apply.

If you choose to take 'The High Road' the Bond is payable to Apollo by an open signed credit card imprint with an authorisation for \$250/\$500. The credit card holder must be present to sign for the Bond when they pick-up the RV and is liable for any damage to the RV.

The Bond and associated credit card fee applicable to the bond transaction for both Visa and MasterCard is fully refundable provided terms are met. The RV simply needs to be returned on time, full of fuel to the Apollo branch location booked and no damage to the RV. Credit card refunds including bond refunds can take up to 14 working days depending on the your financial institution.

If there is damage to the RV on its return or any other terms of the Rental Contract have not been met, the Bond will be used to cover the cost up to the amount of the relevant Liability. If the terms of the Rental Contract are not met and the Bond is not sufficient enough to cover the damage, extra costs will be charged.

If you are continuing on with another Apollo RV booking, the Bond can be transferred to the next booking within Australia.

Exchange Rate / Currency Variations

All transactions are conducted in Australian dollars. Due to exchange rate fluctuations, there could be some variance in the amount refunded compared to the amount initially charged. Refunds by credit card can take up to 14 working days depending on your financial institution.
